

YUV FOR SPORTS OFFICER

INTRODUCTION

Hey guys! My Name is Yuv Garg. I am from New Delhi, India, studying Global Business, and I am running to be your next Sports Officer 2022-2023. I have always enjoyed watching and playing sports and video games. I can play table tennis, *watch F1*, analyze a chess game, and play Call of Duty for hours. I think I have spent the most time out of anyone in the sports hall at halls this year.

EXPERIENCE

1. I was on my school's chess, basketball, table tennis, cricket (bench), football team. I also won several Delhi state tournaments with my chess and cricket team.
2. I was the House Deputy Secretary of my school and hence organized the inter-house sports tournament for my school, which included several games like football, cricket, badminton, chess.
3. I actively worked as the International Committee member – I helped with events like Diwali, Holi, and Thanksgiving. I feel I have a good understanding of how events at Halls operate and what work is to be done to have a successful event.
4. I started an organization called Gracious Givers on Instagram and raised INR 80,000 (approximately EUR 900) in 6 months during COVID which was used to feed the poor with the help of NGOs.

FUTURE PLANS

HALLS PREMIER LEAGUE

A 1-2 week-long event with auctions for the players before-hand. The teams would be headed by fellow JCR members. 6 teams competing in all kinds of sports:

Table Tennis, Badminton, Squash, Football (5 a side), Basketball (5 a side), Chess, Call of Duty, Mario Kart, and last but not the least Beer Pong.

Everyone who applies will get a spot on one of the teams, and the heads will have to ensure that everyone plays at least one of the sports. This is to make sure it is inclusive for everyone. 😊

BETTER EQUIPMENT

I will make sure that I get better sports equipment for all sports in Halls. The equipment right now is not at all up to the mark. The new equipment will include **table tennis rackets and balls, squash rackets and balls, badminton rackets and shuttles, footballs, rugby balls, basketballs.** Everyone at Halls preferred to go to campus for their workout, which was heartbreaking to see. Thus, **I propose better equipment in the gym.**

I will **coordinate with the VP** elected to ensure funds are available.

SPORTS SCREENING

I plan to screen major sporting events in the **canteen**, preferably with drinking, if that is allowed and if it is, the plan would be a few kegs of Guinness (pints for 4 euros :0) or have an event at a **pub** for the same. The sporting events would include the **F1 races, 6 nations, champions league matches, major Indian cricket matches** (with my fellow international officer), etc.

SPORTS TOURNAMENTS

I would host regular sports tournaments with **2 levels i.e., professional and fun**, where people can compete in either of the categories and the JCR officers can also have an idea which people to bid for, for the Halls Premier League at the end. These tournaments would include the sports I stated in the Halls Premier League and events like **neon dodgeball, touch rugby, FIFA, Gaelic football, hurling, camogie etc.**
